

## Country Club Road By the Numbers

**How Much will the Project Cost?** The total project budget is \$15.6 million dollars.

**Where's that Money Coming From?** \$9.2 million will be paid for by state and federal funding. The City's portion is \$2.4 million. El Paso Water Utilities will pay \$3.9 million to replace aging water and sewer lines along Country Club Road.

**How Long will Construction Last?** 560 Days.

**How Many Roundabouts Does the Project Currently Include?** As presently designed, the project includes one roundabout at the intersection of Country Club Road and Memory Lane. An additional roundabout is being considered for the intersection of Country Club and Montoya Road. However, there is presently no funding source identified for that roundabout.

**How Big is the Roundabout at Country Club and Memory?** The roundabout has a diameter of 94 feet. The total width includes the 94-foot roundabout plus 18 additional feet for travel lanes.

**How Many Lanes will Country Club Road include when the project is completed?** Three lanes. One lane westbound, one lane eastbound, and a central two-way left turn lane. Additional turn lanes will be added at Country Club and Montoya.

**How Wide Will the Sidewalks Be?** Eight feet.

**How Many Properties will be Acquired?** None. This project is entirely confined to existing right-of-way.

**How Many Phases is the Project?** This project is broken into eight phases – each of which has a unique traffic management plan to ensure residents and businesses have access to their properties at all times.
